## CYBER SECURITY PROJECT FOR UNITED AIRLINES

The CrowdStrike event was a painful reminder that it's hard to prepare for the unpredictable. Airlines were particularly hard hit. United had to ground nearly 700 flights on Friday, July 19, and more than 700 over the following two days, according to tracking service FlightAware.

## BRAND IDENTITY FOR EXPENSIVE WOMAN NONPROFIT

As women, we're so often put into boxes—told where we can and cannot be, and who we can or cannot become. We've felt this. Yet, in our friendship, we found something liberating: permission to be our truest selves, unfiltered and unbound by expectations.
